Payment Account with Basic Features

Intended use

The payment account with basic features is offered in Bulgarian leva and intended to resident and non-resident natural persons residing legally in the European Union for execution of payment transactions on the territory of Bulgaria free of charge or for reasonable fees.

An unlimited number of payment transactions may be executed on a payment account with basic features.

The access to a payment account with basic features is not bound by the purchase of additional services.

The bank may refuse to open a bank account with basic features where the customer already holds another payment account with basic features or holds more than one payment account allowing the execution of payment transactions with the same or another bank on the territory of Bulgaria.

The payment account with basic features is opened within ten days of receipt of all documents required by the bank for its opening and the conclusion of the contract.
